PACE MOTORSPORT ANNOUNCES TWO NEW DRIVERS FOR THE 2024 RALLYX SEASON

- **Pace Motorsport signs multi-year contract with Martin Juga as team official driver from 2024 season.**
- **Geir-Genor Muttik has signed a multi-year contract as a driver for the team from 2024 season.**

As Pace actively evolves and continues to prepare for next season, the team today confirmed two new drivers who will be behind the wheel of **LifeLive TN11** cross cars in RallyX from the start of the 2024 season. With this addition to drivers, combining experience, speed and desire together with even more support from the factory, the team is more than confident for the season ahead of us.

Jarmo Vösa (Managing director at Pace Motorsport): *“At this early phase of next season programme, we are proud to reveal two new drivers who will race for us in the Crosscar and Crosscar Junior category in 2024. We wanted drivers who are not only fast at some races but constantly fast and reliable. Also, it has always been utmost importance to us to have a good team spirit to best represent the Pace. In addition to two new drivers, we continue our successful relationship with many other drivers, including **Romet Tsirna** and LifeLive factory driver **Jimmie Österberg**. We are absolutely delighted to have these drivers and we hope they will all bring their own experience and qualities to the team.*”

Yannick Neuville (Managing director at LifeLive): *“It’s now 3 years since we began our collaboration with Pace Motorsport, a serious and professional team with whom we share the same ambitions. The RallyX championship is very competitive and of a high standard, and that’s why we take it very seriously to also be present in it through our partnership with Pace, who are doing a great job, and we know that this 2024 season is going to be a promising one with the new TN11 chassis and the new team recruits.”*”

Pol Pujol (Head of Engineering at LifeLive): “We've spent over a year thinking about and developing this new LifeLive TN11 chassis. The year 2023 was a success for us, considering the results obtained. At the same time, we carried out many tests and developments in rallycross conditions to prepare for the 2024 RallyX championship season, and the results we obtained augur well for this year!”

Martin Juga.

Martin Juga is young and new face to the team but has long experience in rallycross by starting with Super1600 and evolving to Cross cars category. His talent, achievements and desire make him serious contestant for the podium places at every race. He has confirmed his talent by winning last round of 2023 RallyX at legendary Höljes track. After convincing 2023 season he got behind the wheel of LifeLive TN11 during testing to accumulate mileage and familiarise himself with the car and the team.

- **Martin Juga:** “I’m super happy to join Pace Motorsport and Livelive for the following seasons and take on the RallyX challenge. It has been a long time dream of mine to join such a team full of passionate people hungry for good results. The main goal for the upcoming season for me is to fight for the title and give it my everything. Last season i got a lot of good knowledge and it has made me a totally different driver than before so i’m really looking forward to following season. As always nobody comes there for a second or third place so its going to be hard but we have a great team and a great car so I’m more than sure we will manage.”

Geir-Genor Muttik.

Geir-Genor is great example of youth who has come to rallycross through family. Regardless of Geir-Genor own experience of only a few years, he has huge amount of support and guidance from his family and he has proved to be one of the potential rising stars in Estonian rallycross scene.

- **Geir-Genor Muttik:** *“Joining Pace Motorsport provides me a very good springboard for transitioning to a bigger class, where you can immediately compete with top European drivers. This gives me great additional motivation to develop myself both mentally and physically and to go to competitions with good preparation. The goal for the first season is to get the speed with a cross car to such an extent that I feel like I'm in a kart, maintaining a speed where I can finish the race without mistakes among the ten fastest drivers.”*

Jarmo Vösa (Managing director at Pace Motorsport):

*“I think we made the right choices and all of us in the team have great confidence in **LifeLive** new cross car **TN11** which has shown amazing speed throughout season 2023 both in autocross and rallycross by achieving **second place at FIA Autocross Championship and winning Belgium Rallycross Championship**. There is an interesting balance between long-time, well-known drivers and new faces who have surprised us in recent years. We are excited to soon start testing for next season and we cannot wait for season 2024 to begin.”*
